Marx Train Parts Catalog

Accessories

- 348 **Metal Trim Ring** for convex lens on 436 & 410 searchlights and 6" flatcar
- 433 **Back Cover** no slots for handle
- 209 **Plastic Convex Lens** specify red or clear
- 206 **Plastic Searchlight Rim** available in black or red
- 201 **Clear Plastic Flat Lens** for searchlight
- 173 **Ground Side Accessory Terminal**
- 174 **Hot Side Accessory Terminal**
- 70 **Knurled Thumb Nut** specify brass or nickel
- 70A **Accessory Post Nut** (not shown) alternative use as a thumbnut on some accessories
- 332 **Large Thumb Nut** for 1859 150 watt transformer
- 320 **Black Control Cable & Instructions** for the 424 Radio Control Tower
- 226 **Beacon Top** *Lionel* reproduction
- 342 **429 Street Lamp Decal** Black on clear vinyl
- 259 **Headlight Visor** for *Commodore Vanderbilt*, block signals and crossing flashers. Black only
- 456 **Bulb Cover** for the 465 bubbling water tower
- 453 **Stop Sign** for the 1420 Crossing Shanty figure
- 225 **Counter Weights** for the 1420 Crossing Shanty
- 285 **Flared Lamp Socket with Leads**
- 285A **Flared Lamp Socket**
- 265 **White Plastic Crossing Gate** for the 1420 Crossing Shanty
- 382 **Lamp Socket** brass screw type with contact
- 438 **Chimney** for the 1420 crossing shanty
- 292 **Spring** for manual accessories
- X60 **Single Track Power Connector** for accessories. Used
- W60 **Double Track Power Connector** for transformer. Used

Accessories

- 141 Accessory Restoration Decals**
Self adhesive: Trim, peel and apply.
- 141A** 418 bell and 423 crossing flasher crossbuck
- 141B** 423 crossing flasher
- 141C** Block signals and circuit breakers
- 141D** 418 bell "STOP" label
- 141E** 425 Circuit Breaker
- 141F** 1405 Train Master
- 141G** Caution High Speed Trains

234 (Auto)

Accessories

- 299 **Billboard Lamp Plate** Use a high voltage lightbulb for lower heat
- 366 **Billboard Insert** 2 color, non original
- 300 **Billboard Insert** "Don't Ever Forget to Have Fun!"
- 301 **Billboard Insert** Repro of Crosley TV ad
- 302 **Billboard Insert** Repro of Halo Shampoo

- 368 **1 1/2" Long Accessory Rail Clip** for momentary contact such as bells and flashers. Press ends together before placing on track

- 330 **027 Lionel Track pins** dz.

330

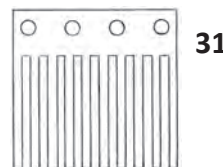

- 355 **Red Lens** for the 1610 metal illuminated switch

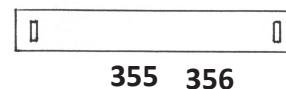

- 356 **Green Lens** for the 1610 metal illuminated switch

- 31 **Flag** for the 313 low clearance hazard telltale bend curves before installing

- 443 **Large Red Plastic Reflector** used on 067 plastic crossing signals

- 446 **1350 Open Truss Bridge Decals** sold in pairs

Accessories

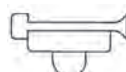

- 129 Transformer Power Cord
- 457 Wood Handle for the 1409 transformer
- 180 Schedule Board for the Plastic Railroad Station
- 228 Replacment Spring for the track uncoupler plate
- 287 Globe for the 074 boulevard lamp post
- 454 Colored Acetate Lens Set for the 439 semaphore, tape behind openings
- 165 Lamp Post for the Illuminated Girard whistling station, Oak Park, and Lighted Gateman
- 269 5 Amp Circuit Breaker for safe use of early transformers that do not have internal circuit breakers
- 270 Large Chimney for the Glendale station, painted red
- 398 Roof for the 413A switchman's tower
- 401 Lamp Cover for the prewar automatic uncoupler
- 402 Chimney for the Girard whistling station, painted red
- 267 Spout for the 065 water tower, specify black or gray
- 414 PRR 1340 Foot Bridge Self Adhesive Decals
- 415 PRR 1305 Metal Bridge Self Adhesive Decals
- 417 Lamp Socket with base and terminals for illuminating buildings
- 419 Stair Support for the 2940 plastic switchman's tower
- 424 Plastic Ladder for the 065 water tower: specify gray, black, cream, or red
- 464 Cone Shaped Top for the 464 Plastic Block Signal: specify gray or black
- 426 Three Color Electric Switch Wire red, green, and black
- 319 Black Transformer to Switch Controller Wire Lead Soldered ends

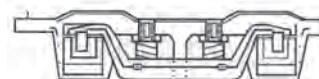

Diesel Engines

- 470 GE 70 Ton Switcher Handrail Set
- 27 Plastic E-7 and GE 70 Ton Diesel Horn specify black or silver
- 27A Narrow Base Horn for metal diesels
- 28 Red Plastic Horn for the 1789 Cape Canaveral switcher
- 29 Black 1998 S-3 Diesel Horn
- 53 Plastic E-7 Diesel Motor Truck Side Frame specify black or silver
- 54 1998 S-3 Truck Side Frame sold in pairs (L & R) Specify black or silver
- 56 1998 S-3 Beveled Brass Truck Mounting Spacer
- 69 Diesel Step specify green, silver, orange or PC green
- 132 Diesel Lamp Plate for plastic E-7
- 63 Diesel Lamp Plate for metal 62 / 6000
- 125 Dog Bone Connector for the M10005 power car & dummy unit
- 191 Long Motor Plate Spacer to prevent plate collapse when installing side frames
- 192 Short Motor Side Frame Spacer for the gear side
- 193 Plastic E-7 Top Motor Mount Brass Spacer
- 196 Metal Motor Mount Bracket convert an electric single reduction motor to a suspension motor in an M10000. Includes instructions & screws
- 205 Headlight Lens specify red or clear
- 139 Rubber Traction Tire for grooved diesel wheel
- 329 Large Top Washer for 62 & 6000 top motor mount
- 337 Diesel Wheels call for price and availability
- 429 E-7 Motor Mount Plate Plugs (4) epoxy in place
- 430 M10005 Wheel Set also used on metal FM diesels. Used
- 437 Extra Long Axle for M10005 and FM diesels
- 474 Motor Support Plate for the 21 Diesel
- 475 Short Tab & Slot Coupler used on the 21, E-7 Powered A & some 62/6000 Diesels
- 486 E-7 Motor Mounting Plate with electrical clip
- 487 21 Diesel Lamp Plate

Fasteners

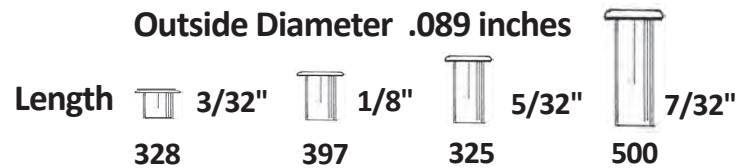

Eyelets There are multiple applications for each eyelet. The following are the most common ways of using them. Measure or assemble the parts and add 1/16" for rollover.

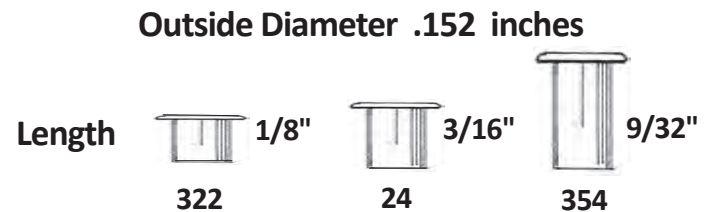

- 323** Shorter eyelet for thinner metals (dz)
- 324** Tab and slot couplers to 6" frames and trucks to metal frames (dz)
- 17** Plastic knuckle couplers and 6" car frames (dz)
- 410** *Type A* trucks to metal frame & 1420 counterweights (dz)
- 71** Plastic knuckle couplers & 4 wheel plastic cars (dz)
- 345** Plastic cars with knuckle couplers & *Type G* trucks (dz)

- 328** Switch repair & load stakes on 6" cars (dz)
- 397** Prewar 3 piece pickup (dz)
- 325** Lamp socket to wire (dz)

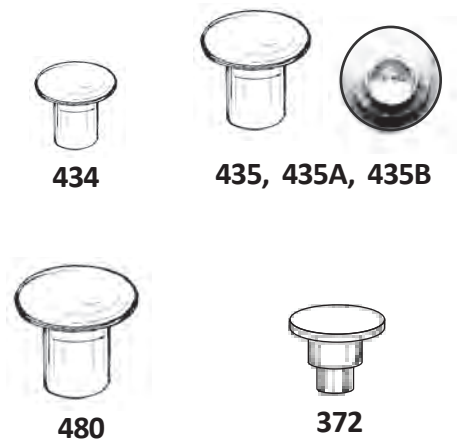

- 322** *M10000* truck to frame (dz)
- 24** Nickel eyelet for E-7 side frames (ea)
- 354** 6" wrecker crane car (ea)
- 500** Pre-war manual reverse plates (dz)

Tubular Solid Rivets

- 434** Log dump car main spring & *Wm Crooks* smoke units
- 435** Side rod links on 333/1829 steam engines. Rivets will vary in size depending on what is currently available. Fitting will be required generally using a #43 drill (.089)
- 435A** 333/1829 forward steam chest side rod to the slide
- 435B** To re-assemble the 429 Main Street street lamp
- 480** Shoulder Rivet for attaching automatic boxcar levers
- 372** Shoulder Rivet for the 333/1829 front side rod slide

Eyelet sampler pack available containing most commonly used eyelets. Please call to order.

Fasteners

148A	Motor Mount Screw	1/8" metal steam engine w/ straight rods				
148B	Motor Mount Screw	3/16" 666/1666 & some brush plates	148A	148B	148C	148D
148C	Motor Mount Screw	1/4" engine with steam chest				
148D	Motor Mount Screw	3/8" steam chest with weight				
52	Motor Mount Screw	Oval head 333/1829 & other plastic steam engines				
373	Motor Mount Screw	Sheet metal screw for steam engines & 70 ton switcher		52	373	
335	Motor Mount Screw	E-7 diesel top motor mount screw				
49	Motor Mount Screw	1998 Alco S-3 diesel motor mount & truck screw				
				335	49	
46	Side Rod Eccentric Crank Screw	for 333/1829 steam engines				
47	Brass Shoulder Bolt	for 999 & 666 rear trucks				
48	Brass Shoulder Bolt	for 333/1829 front & rear trucks				
50	Top Motor Mount Shoulder Bolt	for 6000 <i>Santa Fe</i> & 62 <i>B&O</i> metal diesels				
73	Fahnestock Wire Clip	used on motor terminals & accessories (ea)	46	47, 48	50	
75	Washers	for extra clearance under a diesel side frame. (pr)				
78	Brush Plate Screw					
145	Diesel Side Frame Nut & Screw.	Cast weight motors may require fitting of side frames				
				73		
146	Small Phillips Head Brush Plate Screw					
147	Twist Rivet	for 1666 rear truck				
149	Gear Cluster Retainer		145	146	147	149
150	Body Screw	for plastic freight cars				
151	Short Body Screw	for plastic slope back tenders				
155	Boiler Front Screw	for 333 & 666/1666 steam engines				
179	Hex Head Main Side Rod Bolt	for 333/1829 engines				
182	Hand Rail Cotter Pin					
183	Narrow Hand Rail Cotter Pin	for 333 engines & 333/1829 tenders	150	151	155	179
217	Electric Motor Nut	for brush plates				
217A	Electric Motor Nut Large Pattern.	Used on some brush plates				
308	Socket Head Screw	fits threaded 333 cranks. Not a shoulder bolt. Use a tiny amount of <i>Loctite</i> before assembly	182	183		
314	Tiny Lock Washer	used under the 410, 436 metal floodlight				
315	Nut	for the original shoulder rivet used on the 611 trestle elevator			217	308
316	Black Button Head Nut & Bolt	for the 611 trestle elevator				
331	Girard & Oak Park Station Roof Screw					
394	333 Armature Washer					
492	Top Motor Mount Shoulder Bolt	for the <i>M10000</i>	314	315	316	331

HO Parts

- 177 HO Load Tie Down specify boat load, lumber load or cable reels
- 190 HO Caboose Stack post is a bit large for the hole; either file to fit or enlarge the hole in the roof
- 290 New Old Stock Hong Kong HO Truck brass axles with pointed ends on wheelsets
- 374 New Old Stock HO Wheel Set
- 375 New Old Stock HO Truck
- 379 New Old Stock NMRA Type Coupler
- 383 New Old Stock Hong Kong Knuckle Coupler used with battery sets
- 451 Rectangular HO Wood Load for 6128 & 6130 flat cars
- 452 HO Log Load for 6028 Erie Log dump cars

Motor Parts

Electric Motors

14 **Carbon Brush** exact size of the original factory brushes

14

15

51

15 **Brush Spring** fits all motors except early tubular brush plates & handcars

51 **Brush Spring** for early tubular brush plates

449 **Carbon Brush** early type fits tubular brush plates & Joy Line

449

57

62

57 **Pickup Spring** for postwar single collector pickup

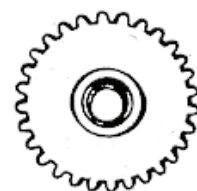

62 **Red Interior Smoke Stack** for 333/1829 smoke units

212 **666/1666 Smoke Unit Top Insert**

212

164 **30 Tooth Single Reduction Idler Gear** for deluxe 4 wheel motors
Self lubricating, black nylon

164, 164A

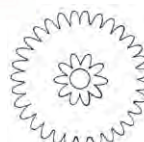

164A **30 Tooth Single Redution Idler Gear** brass

370 **Front Truck Mount** for 666/1666 motors

370

468 **New 32/12 Tooth Compound Gear** (.170 shaft size) used on E-7 & 1998 engines

468

172 **Felt Oil Wick** for the brush plate armature shaft

172

202 **Replacement Smoke Element** to install, pry sides of housing apart, slip on wick sleeve and insulate one side of wire, other side is a ground. Use high temperature sealant and reassemble housing. Crimp over stud tabs to secure.

305 **Nylon Smoke Unit Piston & Pin** used in the 1666 steam chest smoke units, *Wm Crooks*, and the 6096 HO *Hudson*

202

297 **Smoke Unit Bottom Slide** 666/1666

297

243 **Complete Postwar Pickup** good used condition

207 **Postwar Pickup Insulator Plate** with brass center post

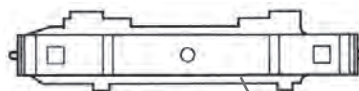

305

494 **Rear Motor Mounting Plate** for the 1829 engine (*not shown*)
Other types available. Call for availability

207

*Used, serviced motors available.
Call for price and availability.*

Motor Parts

Electric Motors

- 21 Prewar Axle Bearing with slot
- 248 Postwar Axle Bushing .140 (common size)
some early postwar axles are .135 which will not be a tight fit
- 391 Prewar Pickup Shoe hard bronze
- 444 Postwar Axle plain, must be splined
- 442 Prewar Axle plain, must be splined
- 471 Used Armature 10 tooth gear cleaned, turned and tested. Specify nylon or bronze bushing
- 496 Reversing Unit rebuilt, serviced and tested
Specify engine application (not pictured)
- 496R Reversing Unit Rocker Assembly (not pictured)

EXVW-1

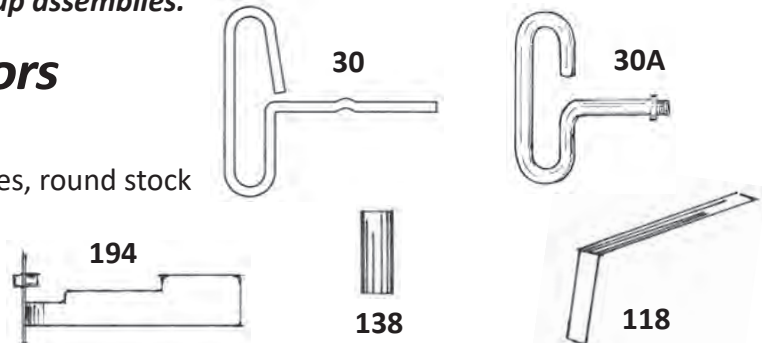

EXVW-1 Exploded View of the Marx Reversing Unit

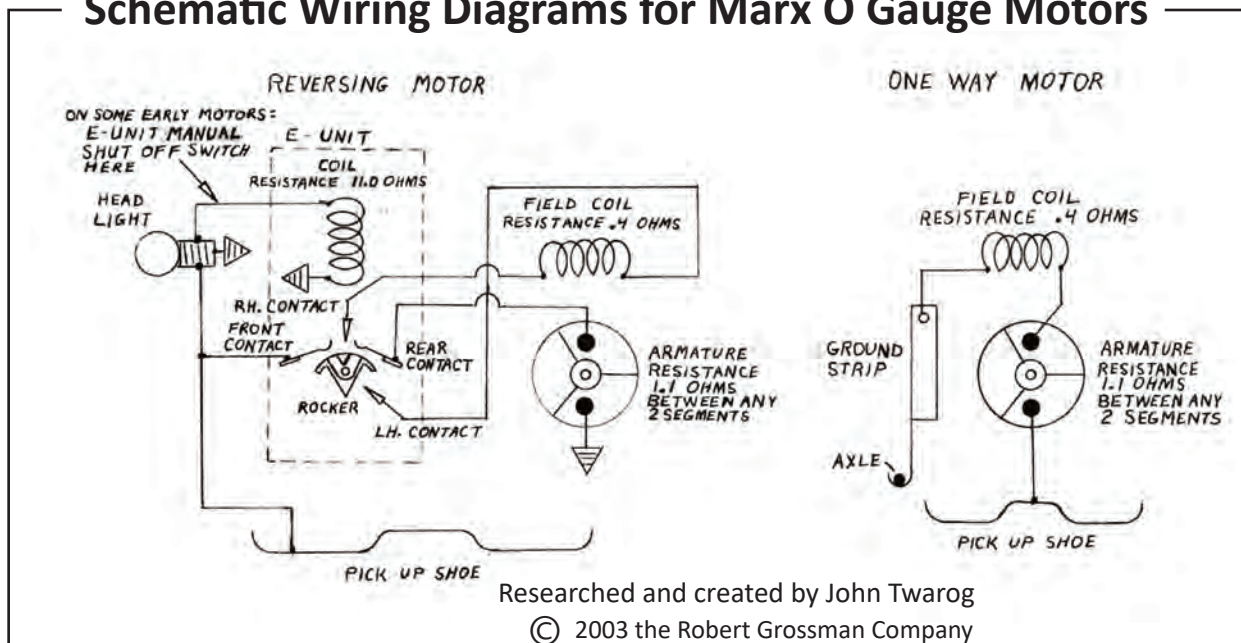

Call for brush plates, reversing units, field coils, axles, gears, drivers, motor mounts, and pre-war pick-up assemblies.

Mechanical Wind-Up Motors

- 30 Clockwork Key square stock
- 30A Threaded Clockwork Key for early engines, round stock
- 118 Bell Spring
- 138 Flint for the sparkler plate
- 194 Metal Sparkler Plate with flint

Schematic Wiring Diagrams for Marx O Gauge Motors

Motor Parts

Drivers

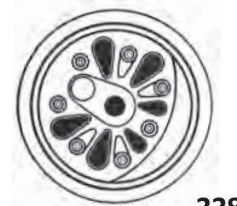

For non postwar *Baldwin* drivers call for availability.

338 Postwar *Baldwin* Driver

Specify:

- Plain
- Plain with post
- Geared
- Geared with post

For geared wheels, specify single or double reduction motors.

338

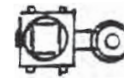

Side Rods (non-embossed)

2356LR Valve Gear Assemblies Crank and Rods for both sides of the engine. Includes attaching rivets

2356LR

237 333/1829 Plastic crank. Specify black or silver

237

55 Crank Spacer for 333/1829 engines

55

247 Side Rod with Crosshead for 999 & *Canadian Pacific* engines

247

353 Guide for 247 Side Rod. Includes mounting eyelets

272 Straight Side Rod

272

310 666/1666 Side Rod with Pin for Smoke Unit

350 Solid Outer Steam Chest Side Rod for 1829 engine non-smoke

350

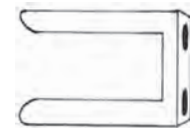

351

351 Inner Side Rod Wheel Link for 333/1829 engines

407

407 333/1829 Outer Side Rod

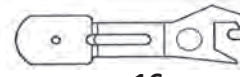

353

Rolling Stock

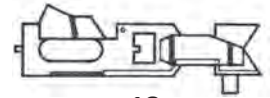

Couplers

16 **Plastic Knuckle Coupler** for 6" cars. Can be used on 4-wheel plastic with slight modifications

16

18 **Notched Plastic Tilt Automatic Coupler** for plastic E-7 diesels

18

19 **Plastic Tilt Automatic Coupler**

19

58 **Scale Coupler Spring**

59

58

59 **Coupler Spring** for 18 and 19 couplers

109 **One-way Coupler spring**

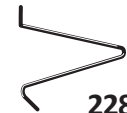

109

133 **Joy Line Coupler**

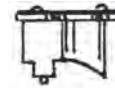

223

228

204 **Plastic Male Post** for pre-war one-way couplers

221 **Sliding Twist Type Tab & Slot Coupler** for wind up 6" 4 wheel frames

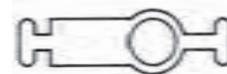

204

221

223 **Short Metal Tilt Coupler Spring**

227 **Tab and Slot Coupler** specify silver or black plating

133

227

228 **Uncoupler Track Plate Spring**

244 **Metal Tilt Automatic Coupler** new or used (*good condition*)

497 **E-7 Tab Coupler** no slot for dummy A & B units

497

244

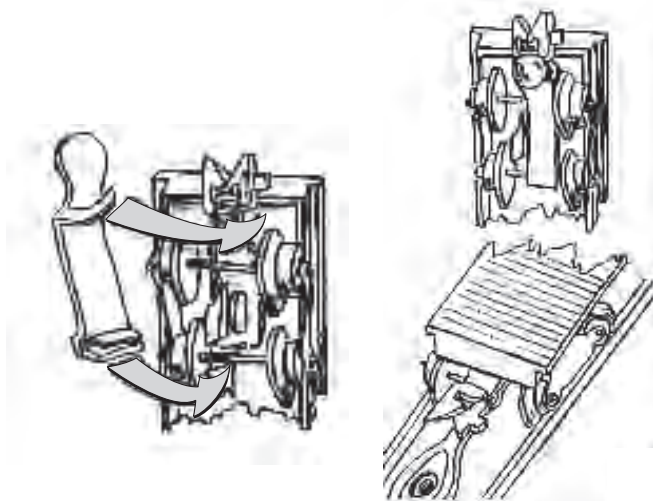

369 **Magnetic Uncoupling Adapter** Allows you to convert some Marx couplers into magnetic couplers to be used with the *Lionel* post-war magnetic uncoupling track. Clips onto existing Marx truck assembly.

Specify:

- Scale truck / Metal coupler
- Scale truck / Plastic coupler
- D,E,F,G truck / Plastic coupler

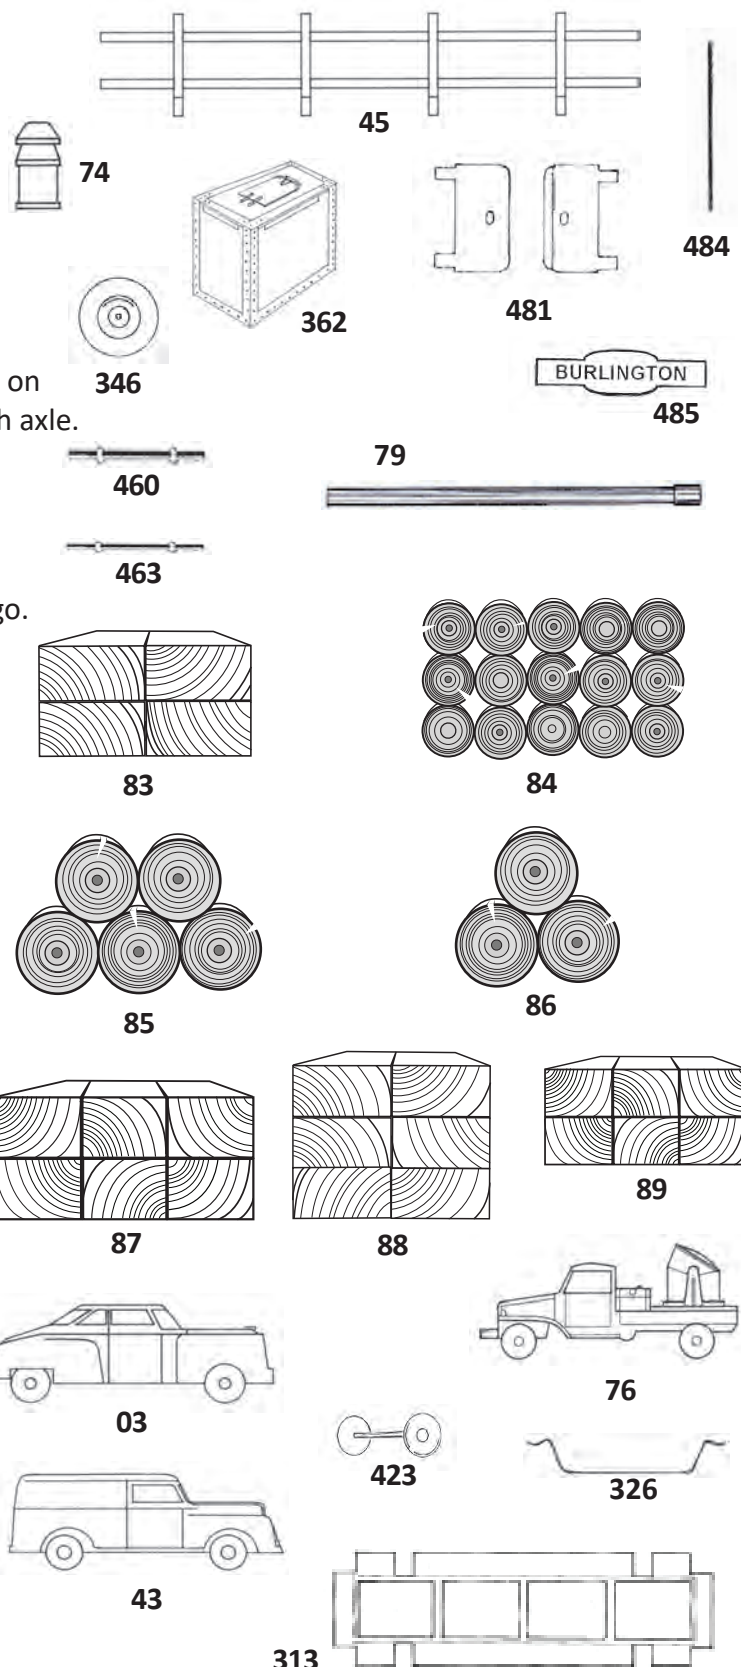

369

Rolling Stock

Loads

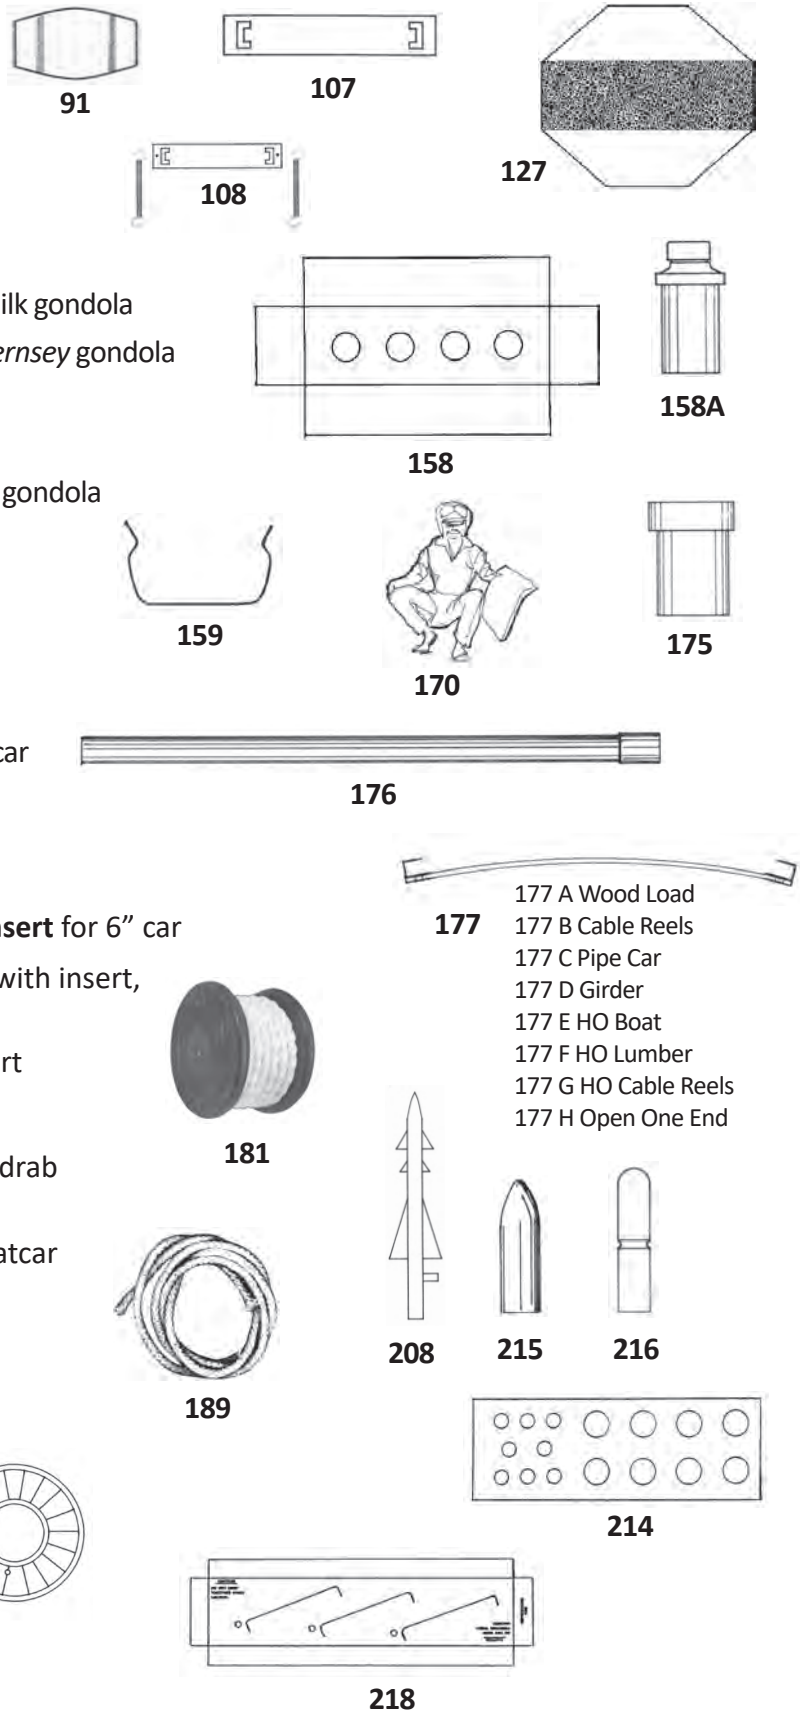

- 45 **Plastic Flatcar Railing** maroon, yellow, red, olive drab and white
- 74 **Silver Milk Can** 3 were used with some 555 C & S 6" reefers
- 362 **Brown Crate** for the plastic gondola. Also available with **USAX** military graphic (Sold individually, 4 per load)
- 346 **Black Wood Wheel** for metal vehicles used on the 562 6" flat car. Drill center hole to match axle.
- 460 **Large (.093) Axle** for the 346 wheel
- 463 **Small (.062) Axle** for the 346 wheel
- 76 **Searchlight Car** Silver
Made from original *Marx* dies. No *Marx* logo.
- 481 **White Tractor Trailer Doors** (pr)
- 484 **Hinge Pin** for the tractor trailer doors
- 485 **Burlington Nameplates** for the tractor trailer load (pr)
- 79 **12 Piece Chrome Pipe Load** for the 563 6" flatcar
- 83 **4 Piece Lumber Load** for 6" lumber car
- 84 **15 Piece Pole Load** for 6" pole car
- 85 **5 Piece Log Load** for *Erie* dump car
- 86 **Large 3 Piece Log Load** for deluxe flatcars
- 87 **Plastic Flat Car Lumber Load** square cut
- 88 **Plastic Flat Car Lumber Load** flat cut
- 89 **Scale Car Lumber Load**
- 03 **Studebaker Automobile.**
available in white, red, yellow, blue, green, gray, aqua, and beige
- 43 **Panel Truck**
available in white, red, yellow, green gray, and olive drab
- 326 **Double Vehicle Load Clip**
- 423 **Black Wheel Set** for auto and truck load
- 313 **Plastic Crate Cardboard Insert** used in the 20309 L & N gondola. Will fit any deluxe plastic gondola.

Rolling Stock

Loads

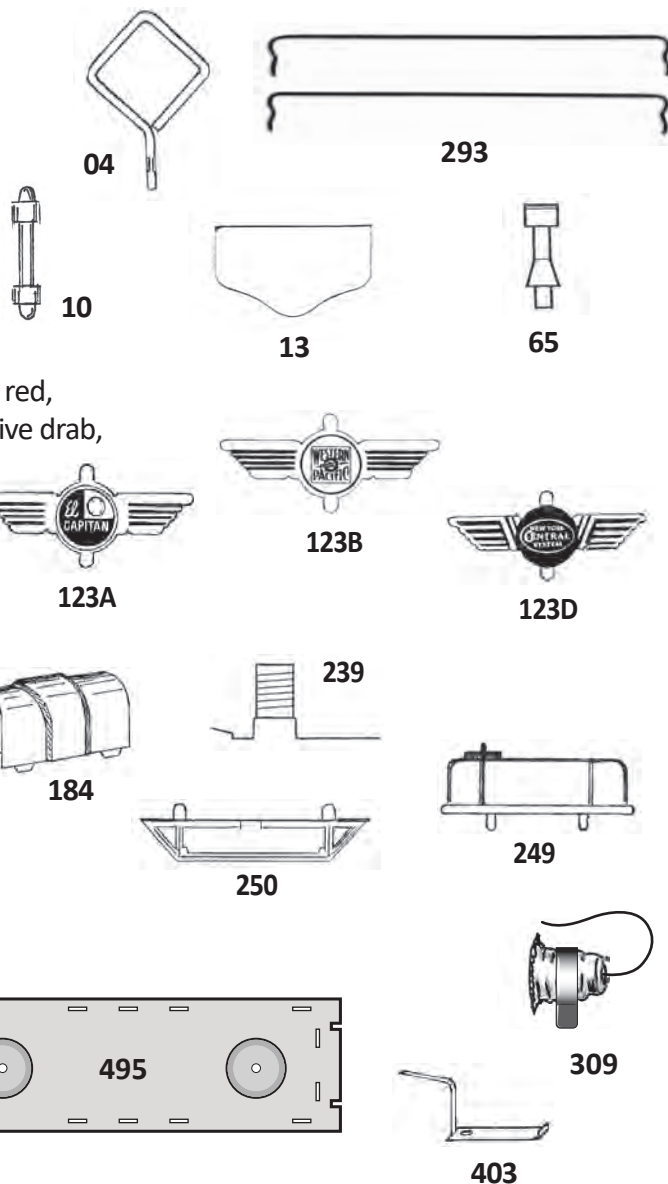

- 91 **Wooden Barrel** for the 6" barrel car
- 107 **Load Retainer** without springs
- 108 **Load Retainer** with springs
- 108A **Load Retainer Spring**
- 127 **Coal Load** for 6" hoppers
- 158 **Cardboard Insert** for the 548 Guernsey milk gondola
- 158A **Silver Wooden Milk Cans** for the 548 Guernsey gondola
- 159 **Toy Truck Spring Clip**
- 170 **Squatting Military Figure** gray plastic
- 175 **Cardboard Sewer Tile** for the L&N 20309 gondola
7 tiles will fit any plastic gondola
- 176 **8 Piece Cardboard Pipe Load**
- 177 **Load Tie Down** specify load type
- 181 **Black Wooden Cable Reel** with cord
for the 566 6" flat car
- 189 **White Cord** for the 566 6" cable reel flat car
- 208 **Nike Rocket**
specify aqua, beige, blue, green, gray,
metallic green, red, white or yellow
- 214 **Black Cardboard Ordnance Gondola Insert** for 6" car
- 215 **Silver Wooden Shell** for 6" car. 8 used with insert,
30 without insert
- 216 **Copper Wooden Shell** 8 used with insert
- 218 **Cardboard Nike Rocket Insert Loads**
- 263 **Plastic Cable Reel** specify gray or olive drab
- 311 **8 Piece Plastic Pipe Load**
used on the 44535 S.A.L. gray plastic flatcar
- 428 **Wire Hold Down** for cable reels (ea.)

Rolling Stock

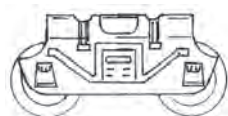

Passenger Cars

- 04 **Aerial Antenna** for the 572M 6" Army radio car
- 293 **Side Antennas** for the 572M 6" Army radio car
- 10 **Grab Iron** for 6" lighted passenger cars, brass or nickel
- 13 **Red Drum Head Lens** for 6" lighted observation cars
- 65 **Plastic Smoke Stack** for *Wm Crooks* pasenger cars and cabooses. Specify black, silver, white, red, tuscan red, orange, yellow, light green, dark green, jade green, olive drab, blue, brown, & tuscan brown
- 123 **Drum Head** for 11" observation cars
Specify:
 - 123 A- *Sante Fe*
 - 123 B- *Western Pacific*
 - 123 D- blue *New York Central*
- 184 **Lamp Cover** for the 6" observation car
- 239 **Light Bracket** for 11" passenger cars
- 249 **Plastic Railing** for *Wm Crooks* cars
- 250 **Metal Under-Frame Truss** for *Wm Crooks* cars
- 309 **Light Bracket** for 6" observation car
- 403 **Light Switch** for illuminated 6" cars
- 495 **7 1/4" Frame** will fit the *Wm Crooks* cars. Dark brown
